**(First Presbyterian Church Plano)**

## **Clothing Ministry 2025 Recap**

### **Community Impact and Gratitude**

#### **Community Partnerships and Outreach**

Throughout 2025, our ministry worked diligently to provide clothing to members of our local community. These efforts were made possible through valuable partnerships with organizations including Streetside Showers, Plano Overnight Warming Station (POWS), our church's family clothes closet, Hope Restored Missions, God's Food Panty, and Breaking Free, Inc. By collaborating with these groups, we were able to reach individuals and families in need, offering them comfort and support during challenging times.

#### **Distribution Numbers and Individual Contacts**

In 2025 alone, The Clothing Church distributed a total of 29,612 clothing items. These donations were made through more than 3,200 individual clothing contacts, ensuring that each person served received attention and care tailored to their specific needs.

#### **Long-Term Ministry Impact**

Over the past five and a half years, our ministry has provided a remarkable 111,236 items of clothing to the organizations and individuals we serve. This equates to an average of 20,225 clothing items distributed each year, reflecting our commitment to ongoing assistance and outreach.

## Gratitude and Invitation to Serve

As we remain prepared to meet clothing needs during the colder months ahead, we extend heartfelt gratitude to everyone who has supported our mission. This includes those who have picked up, purchased, prepared, and distributed clothing, as well as those who have donated clothing and funds. We are also thankful for the prayers offered on behalf of our volunteers. Through the dedicated efforts and compassion of our volunteers, we have witnessed God's work in action. If you feel called to join our ongoing clothing ministries, please reach out to any current participants for opportunities to serve in 2026.
